

Premiere Dance Academy's 2010 Dress Rehearsal and Recital Information

Premiere Dance Academy's Recital 2010 is just around the corner, so we'd like you to take a few minutes to read the following information about what is different about this year's shows.

Recital 2010 will be held at L. C. Bird High School May 14th and 15th at 6:30 p.m. **All students will be expected to perform in both shows, and should arrive at the school no later than 5:30 p.m. both evenings.** A tentative lineup of Recital 2010 (both shows are the same) is attached on page 6.

Special Rehearsals begin April 17th

Because most students will be performing either in scenes or numbers made up by combinations of classes, the normal class schedule will end and the attached special rehearsal schedule will take its place effective April 17th. **Please note your child's new class dates and times on pages 10-12 at the back of this notice.**

Costume Inspection will be held May 8th

Costumes must be inspected so we can make sure they all look alike and that all costume pieces are secured on tightly. You spent a lot of money on costumes, and we want to take this extra time to make sure they look good on the stage!

All students must have their costumes and accessories completed and ready for inspection by Saturday, May 8th. See the list on page 7 for your child's inspection time.

All costume alterations and shoe coloring, if required, MUST be completed by this day. If you have any questions regarding costumes, please see your child's dance teacher BEFORE May 8th! If your child's costume does not meet inspection, you have one week to fix it before the show.

A list of the requirements for shoes and tights for the recital has been attached on page 8.

For recital photos and costume inspection:

Students must wear costumes (including all parts and pieces), light make-up, proper color tights and shoes.

If your child is in KinderDance, Dance 1, Dance 2, Dance 3, or Dance 4... your pictures will be taken in this order: (1) ballet costume, (2) tap costume, and (3) jazz costume (if you take jazz).

If your child is in Dance 5, Intermediate, High Intermediate, Advanced or Adult/Teen...please refer to the schedule for the order in which pictures will be taken.

For the recital your child's teacher will instruct you on how they must wear their hair. For picture day, however, you may fix your child's hair any way you like for individual pictures. **All dancers in class levels Dance 5 and above must wear their hair in a bun for the group ballet photo.** Competition students should wear their hair and make-up for the competition pictures just as we do in competition!

NO jewelry of any kind, NO nail polish, and NO underwear!

Please make sure that ribbons on ballet shoes and point shoes are tucked in securely!

If your child's costume has a tutu, make sure that you tack the tutu to the leotard in four places - DO NOT tack the tutu at waist level - a tutu should be at hip level and cover the dancer's bottom.

All dancers in KinderDance, Dance 1, Dance 2, and Dance 3 should have elastic or buckles to secure their tap shoes - NO laces!

Please make sure your child's name is labeled on all costumes, costume accessories, and dance shoes.

Sorry, but no Dads/Men in the dressing room!

Again, please make every effort to make sure your child is there on inspection day. If you are unable to attend the costume inspection, you will need to arrange for a time to bring your completely altered costumes for your child's teacher to approve before May 8th. Thank you for your cooperation in this matter!

Recital Photos

Recital pictures will be taken at the dance studio Saturday, May 8th, 2010 in conjunction with costume inspection. Please carefully review the costume inspection lineup on page 7 to ensure you are aware of all your inspection times.

The photographer will be taking group photos in all costumes, and offering individual shots for purchase. The choice is yours as to whether or not you would like to purchase individual or group photos.

We ask that you arrive about 15-20 minutes prior to your scheduled inspection time so you can make your selection of picture packages, complete your paperwork and pay for your pictures. Payment must be by cash or check only!

Premiere will have some of its teachers and studio assistants on hand to help pose the students for the photography. Please make every effort to make sure your child is present for recital pictures -- even if you don't want to purchase a group shot, we still like to have everyone present in the class photos. (On occasion, Miss Jennifer uses the class photos in studio advertisements in Chesterfield's local newspaper, the *Community Weekly*.)

Your pictures will be available for pick-up at the dance studio on Wednesday, June 2nd from 6 - 8 p.m. Also, if you cannot make it to the dance studio on June 2nd for picture pick-up, you can pick up your recital pictures at the dance studio on registration dates.

Stage Rehearsal -- Normal dance attire

All students will need to attend the stage rehearsal that will be held at L. C. Bird High School the week of May 10th. **Dancers should wear their normal dance class attire. Recital costumes are not needed at this rehearsal.**

The purpose of a stage rehearsal is to practice such things as centering our dance formations, making sure the dancers stay evenly spaced out, and precisely timing stage entrances and exits. L. C. Bird's stage is bigger than our classroom; therefore, it is necessary to take the extra time to practice these adjustments. It truly is essential to take this extra time and practice so that our show may run smoothly.

Upon arrival, all dancers should report to the room that will be their dressing room for the recital. (We will have signs up and/or people directing you to these dressing rooms.) Check the schedule on page 9 for the day and time your child will need to attend. Please be on time!

Dress Rehearsal:

Premiere Dance Academy will hold its dress rehearsal at L. C. Bird High School May 13th. Dancers should arrive at L. C. Bird no later than 5:30 p.m. Dress rehearsal begins PROMPTLY at 6:30 p.m. The purpose of a dress rehearsal is to run through the entire show exactly as it will run for the show that evening. The only difference between dress rehearsal and the actual recital is there is NO AUDIENCE! Please note, **parents and students will not be allowed in to watch or videotape dress rehearsal.**

Having a dress rehearsal allows the dancers to practice dancing in their costumes and helps them to get used to changing costumes in the small time frame they have to be ready to perform again. It also helps the dancers to get used to the size of the stage, and to know how and when to enter and exit the stage.

Running through the show also allows us to identify and work out any problems in advance so that the audience will enjoy an entertaining and smoothly run performance during both of our shows (May 14th and 15th -- at 6:30 p.m.). All dancers **MUST** attend the dress rehearsal. We would like to stick to the schedule, so please be on time.

For the dress rehearsal, all dancers will need to come dressed in FULL COSTUME, i.e., **students must be dressed in proper recital tights, costumes, and dance shoes. Also, their hair must be fixed just as they will wear it in the show, make-up on, NO jewelry of any kind, NO nail polish, and NO underwear under costumes!**

Make-up for dress rehearsal and recital

Stage make-up should always be applied much heavier than everyday make-up. Stage lights are very bright and drown out color. If your child's make-up is not done properly, he or she will look washed out. If you need help, please ask. Students need to wear stage make-up which consists of:

- Coat of foundation which matches their skin tone.
- Red lipstick
- Rose colored blush on cheeks
- Eye shadow -- depending on the child's coloring as to what color
- Mascara

For both dress rehearsal and shows, dancers and parents should enter the building through the side entrance. Immediately upon arriving, dancers and parents should report to their dressing rooms. There will be signs and people directing you to the correct dressing room. When it is your child's turn to rehearse, a backstage runner will come and take your child's class to the stage.

Parents should wait in the dressing room for the class to return. **We do NOT allow parents backstage, NOR will parents be allowed to observe or videotape dress rehearsal.**

Please note, you are responsible for the supervision of your child/children while you are waiting for their rehearsal time on the stage. We recommend you bring toys, games, etc., to occupy your child while they wait for their turn to rehearse. Please be mindful, dancers should never eat or drink in their recital costumes -- spills can ruin a costume!

At dress rehearsal, once your child has finished with all of his/her dances, you are free to depart the building. Remember to ensure you have all your costumes, shoes and accessories before you leave for home. If you wish, you may leave your recital costumes and make-up in your dressing room on recital days between shows. We don't recommend, however, that you leave any valuable belongings at the school between shows, as we cannot guarantee their safety! We thank you in advance for your cooperation in this matter.

Recital:

Premiere Dance Academy's annual recital -- two shows for 2010 -- will be held at L. C. Bird High School on Friday, May 14th and Saturday, May 15th. Both shows will begin at 6:30 pm.

Dancers, however, should arrive no later than 5:30 pm. Don't forget your recital tickets! You will need your recital tickets to get into the building (even the dancers need their student pass). Should you lose or forget your tickets, you will have to purchase new tickets at the door. **No exceptions.**

Costumes should be organized on hangers. Since there will be approximately 120 students participating in the recital, it is imperative that your child's name be printed on all parts and accessories of every costume.

Shoes and bags should be labeled with your child's name. You should also bring extra bobby pins, hair spray, hairnets, scissors, sewing kit, safety pins, etc... in case of a costume emergency.

Dancers are not permitted, at any time, to walk around in the hallways or auditorium while dressed in their costume – this is unprofessional! Students must wear a cover-up (such as a large button-down shirt) over their costume. Dance shoes should be clean, and the bows on ballet shoes must be tucked inside the shoe. Make sure that you bring the proper recital tights. Again, we advise you to bring plenty of extra safety pins, bobby pins, and a pair of scissors. Please do not have your child's ears pierced before the recital. Dancers are NOT permitted to wear jewelry – especially pierced earrings, nail polish, or underwear under costumes!

Immediately upon arriving, dancers should report to their dressing rooms (the same rooms they dressed in for the dress rehearsal). Please note, you will be responsible for the supervision of your child while you are waiting for his/her performance. Parents may take their dancers into the theatre to watch show, as long as the dancers are not in costume and are back in the dressing room at least five minutes before they go on to stage. **Parents and students will be required to show their ticket each time they enter the auditorium.**

Parents will not be allowed back stage for any reason! Therefore, once a backstage crewmember comes back into the dressing room to call your child's class to the backstage area – you must go to the auditorium in order to see your child's performance. Immediately following your child's performance, you should meet your child's class back in the dressing room.

While the recital is in progress, however, please remember you should never enter or leave the theater while the music is playing. This is not only distracting and disrespectful to the performers on the stage, but it also represents a safety hazard to the performers. If you need to enter or leave the theater while the show is progress, please wait to do so between dances.

The recital is estimated to run approximately 2 ½ hours. Again, it is recommended that you bring toys, games, etc... to occupy your child while he/she waits to perform, if you don't think he/she will sit in the auditorium and watch the show. Please be mindful, dancers should never eat or drink in their recital costumes – spills can ruin a costume!

After the recital, please remember to pick up your trash on your way out -- thank you!

No flash photography/no videotaping

We ask that you do NOT use flash photography during performances because it can be momentarily blinding to the dancer and cause an accident. Flash photography is also distracting to everyone else sitting in the audience.

Recital DVD

Video taping the recital is strictly prohibited! A professional video of the show, by John Hancock Productions, will be available for purchase. Watch for more details on ordering your copy of Recital 2010 as our show date nears.

We will also have a table set up at L. C. Bird on the evening of both shows, for placing orders for recital DVDs – cash or checks only. The recital DVD will be mailed directly to your home about eight weeks after the performance. Watch for more details on ordering your copy of Recital 2010 as our show date nears.

Recital Tickets:

Recital tickets go on sale at the dance studio office April 17th. The cost is \$10 per ticket for a single night ticket. You must know at the time of purchase whether you need a Friday or Saturday night ticket. A specially priced, two-night ticket, good for both shows, will be available for \$18 each. You will only be able to purchase the two-night ticket during studio hours, as they will NOT be sold at Bird High School. **Please purchase carefully, as tickets are non-refundable. Single night tickets may not be traded for the two-night ticket at the discount rate.** Children two years old and under are admitted free. Seating is based on first-come, first served basis. Doors to the auditorium will open at 6 p.m., with show beginning at 6:30 p.m.

Single night tickets can be purchased at stage rehearsal. Tickets will not be sold at dress rehearsal, as things will be too busy that night. Single night tickets will again be sold at the door on Friday and Saturday nights starting at 5:30pm.

All students performing in the show will need their student pass to get in the door at 5:30 p.m. on May 14th and 15th. **This pass will be provided to your child in class in the near future.** Please do not lose this pass, or turn it in at the door, as student passes will be used for both shows, and cannot be replaced.

Recital T-Shirts

If you pre-ordered and prepaid for a recital tee-shirt, they are scheduled to arrive at the studio sometime early May, before recital. You may pick them up at the studio office during studio hours. If you don't pick your tee-shirt at the studio, it will be available for pick up at L. C. Bird High School during stage rehearsals (not during dress rehearsal - sorry).
